Sammanställningen är bl a gjord för att underlätta DJ:s dans och musik val inför "öppna danser"

Ju "bättre" danslistor desto fler kan dansa och ha roligt.

**Ju fler "gemensamma danser" desto fler på golvet samtidigt**

Vi är tacksamma om du som är instruktör, kompletterar våra uppgifter samt håller oss "uppdaterade" med dom danser du lärt ut på dina kurser.
